For supplies, you'll need:

Cardstock - black, white, green, purple

Shape Maker with Circle Cartridge

ABC/123 Stickers - Black

Paper Trimmer & Tape Runner

- 1: Create eyes by punching 2 green circles using Shaper Maker with Circle Cartridge. Stack green circles together, then re-insert both back into maker. Punch a chunk from circles, then set aside.
2. Begin tearing strips in random sizes from white cardstock. Adhere to page, lightly "roughing up" the edges before adhering. Leave an open area in upper right section to adhere eyeballs.
3. Cut one piece of each green and purple cardstock to measure 4-1/2" x 6-1/2". Cut two pieces of black cardstock to measure 4-1/4" x 6-1/4". Layer black pieces onto colored pieces and adhere together. Adhere to page.
4. Adhere eyeballs into black area on page.
5. Adhere title stickers to page to finish.
